Judge of Probate Court Incumbent Position 6 Year Term Vote for not more than 1	Wayne County Regional Educational Service Agency Renewal of Regional Enhancement Millage Proposal
David A. Perkins <input type="radio"/> <small>Judge of Probate Court</small>	<p>Pursuant to state law, the revenue raised by the proposed renewal of the enhancement millage will be collected by the Wayne County Regional Educational Service Agency ("Wayne RESA") and distributed on an equal per-pupil basis to local constituent school districts including eligible public school academies within the boundaries of Wayne RESA. None of the enhancement millage revenue will be distributed to Wayne RESA, and all funds shall be independently audited by the local constituent school districts and eligible public school academies as part of their annual school audits.</p> <p>As a renewal of authority which expires with the 2027 levy, shall the limitation on the amount of ad valorem taxes which may be imposed on taxable property in the Wayne County Regional Educational Service Agency, Michigan, be increased by 1.9812 mills (\$1.98 per thousand dollars of taxable value) for a period of six (6) years, 2028 to 2033, inclusive, to provide operating funds to enhance other state and local funding for local school district operating purposes? It is estimated that 1.9812 mills would raise approximately \$108 million when first levied in 2028.</p> <p>The revenue from this enhancement millage will be distributed on an equal per pupil basis to the following listed constituent school districts and the public school academies within the boundaries of Wayne RESA which are eligible to receive enhancement millage under the Revised School Code:</p> <p>Allen Park Public Schools, Crestwood School District, School District of the City of Dearborn, Dearborn Heights School District No. 7, Detroit Public Schools Community District, Ecorse Public School District, Flat Rock Community Schools, Garden City Public Schools, Gibraltar School District, Grosse Ile Township Schools, Grosse Pointe Public School System, School District of the City of Hamtramck, School District of the City of Harper Woods, Huron School District, School District of the City of Lincoln Park, Livonia Public Schools School District, Melvindale – Northern Allen Park School District, Northville Public Schools, Plymouth-Canton Community Schools, Redford Union Schools District No. 1, School District of the City of River Rouge, Riverview Community School District, Romulus Community Schools, Southgate Community School District, South Redford School District, Taylor School District, Trenton Public Schools, Van Buren Public Schools, Wayne-Westland Community School District, Westwood Community School District, Woodhaven-Brownstown School District, School District of the City of Wyandotte</p>

Proposal Section	
Local School District	
School District of the City of Hamtramck Operating Millage Replacement Proposal	
<p>This tax levy does not apply to owner occupied homes or to persons renting their homes. This proposal would replace and extend the authority of the School District to continue to levy the statutory limit of 18 mills on all property, except principal residences (owner occupied homes) and other property exempt by law, for general operating purposes, which currently expires with the School District's 2025 tax levy and allow the School District to continue to levy the statutory limit of 18 mills in the event of future Headlee rollbacks of up to 2 mills. This authorization will allow the School District to continue to receive revenues at the full per pupil foundation allowance permitted by the State.</p> <p>Shall the limitation on the total amount of taxes which may be assessed against all property, except principal residences and other property exempted by law, situated within the School District of the City of Hamtramck, County of Wayne, Michigan, be increased in the amount of 20 mills with 18 mills being the maximum allowable annual levy (\$18.00 on each \$1,000 of taxable valuation), for a period often (10) years, 2025 to 2034, inclusive? This operating millage if approved and levied, would provide estimated revenues to the School District of \$2,748,420 during the 2025 calendar year, to be used for general operating purposes.</p>
