A business trust that files as a corporation with the Internal Revenue Service and is "doing business" in Hamtramck must file a Hamtramck corporation income tax return.

TAXABLE INCOME

The taxable income of an estate or trust is the same as the taxable income of a nonresident individual. Income distributable to a person other than an individual resident of Hamtramck and income not distributed from the following sources is subject to tax:

1. Net profit or (loss) from the operation of a business or farm that is attributable to business activity conducted in Hamtramck whether or not such business is located in Hamtramck;
2. Net profit from rental of real and tangible personal property located in Hamtramck;
3. Gain on the sale or exchange of real and tangible personal property located in Hamtramck;
4. Income from a partnership, estate or trust taxable under the Hamtramck Income Tax Ordinance; and
5. Other income earned in or from other activity in Hamtramck.

Form H-1041

The flow of income on Form H-1041 starts in Column A with income reported on the federal return; column B is used to adjust the federal data for income taxable on the federal return that is not taxable by Hamtramck and vice versa; and column C reports the income taxable under the Hamtramck Income Tax Ordinance (column A less column B).

Exclusions and adjustments reported in column B must be explained by completing and attaching applicable exclusion or adjustment schedules or by attaching a separate explanation to the return. Attach copies of federal schedules to support all entries on lines 1, 2, 3, 4 and 5 of Column A.

After the determination of Hamtramck income, a qualified estate or trust with business activity in a Renaissance Zone is allowed a Renaissance Zone deduction. A deduction is allowed for the portion of Hamtramck income distributed to a resident of Hamtramck.

Deductions claimed must be supported by the filing of Schedule G (page 2 of Form H-1041) and/or Schedule RZ, Renaissance Zone deduction. **Hamtramck does not have any renaissance zones.**

Where no work is done, services rendered or other business activity is conducted in Hamtramck, the profit or (loss) is entirely excluded.

If reporting business income, attach a copy of Federal Schedule C to the return. If excluding or adjusting business income or (loss), Schedule 1 must be attached to the return.

Line 2 – Capital Gain or (Loss)

Except for a capital gain flowing through from an S corporation, a capital gain or (loss) is included in income to the extent the gain or

A capital loss from property located in Hamtramck is allowed to the same extent allowed under the Internal Revenue Code. An unused capital loss may be carried over to future tax years. The capital loss carryover for the city may be different from the carryover for federal income tax purposes. An adjustment must be made for this difference.

A deferred capital gain from an installment sale or like-kind exchange of property located in Hamtramck is taxable in the year recognized for federal income tax purposes.

The portion of capital gain or (loss) from property purchased prior to January 1, 2019, is excluded from income. The gain or (loss) on property purchased prior to January 1, 2019 must be determined by one of the following methods:

1. The basis may be the adjusted fair market value of the property on 12/31/2018 (the 12/31/2018 closing price for traded securities), or
2. Divide the number of months the property was held since January 1, 2019, by the total number of months the property was held, and apply this fraction to the total gain or (loss) of each separate property as reported on federal form 1041.
